# BEFORE & AFTER SCHOOL PROGRAMS

The Youth Development Services department serves approximately 5,000 youth daily and encompasses six sub-divisions or special initiatives: Club Branches, Elementary School Site Programs, Teen Services, Academic Services, Sports Programs, and Hope & Opportunity through Performing and Entertaining (HOPE).

The Youth Development Leadership team ensures all programs offer enriching and impactful programs, have highly qualified and trained staff, are in compliance with local, state, and federal standards, and are meeting the community needs. Moreover, the team collaborates regularly with community partners to bring additional resources to our Clubs and School Site programs, such as: Garden Grove Unified School District, Orange County Department of Education, California Department of Education (CDE), CalSAC, OC STEM, California Afterschool Network (CAN), other local Boys & Girls Clubs, and Boys & Girls Clubs of America.

**Club Branches:** Main Branch, Edgar Branch, Stanford Branch, Patton Branch, and Clinton Branch. These sites serve more than 600 youth (5-17 years old) every day, from as early as 7:00 a.m. until as late as 6:30 p.m. During the summer and school holidays, most children are with us at least 10 hours each day. These sites are open to anyone who lives, works, or travels to the area. Contact individual sites for monthly membership tuition.

**After School Programs on School Campuses:** We have 39 elementary After School Education and Safety (ASES) Programs, 9 Intermediate School Programs, and 4 High School Programs located on school campuses throughout the Garden Grove Unified School District. Programs are open only on school days, Monday through Friday from school dismissal until 6:00pm. Students (3rd grade & up) must be enrolled at the school to be referred to the program. These programs are implemented in collaboration with Garden Grove Unified School District.

**Performing Arts:** HOPE STUDIOS provides exceptionally talented teens with the tools and resources needed to learn, understand, and execute the best practices for the emerging independent artist. The goal is to teach our youth the importance of hard work, dedication, innovation, and communication. The creative space is designed to ignite the flame that will drive our members into a successful career as independent artists; to educate on all of the different opportunities there are in the industry, and to give them hope that it is an attainable career. HOPE invests in the creative talents of our young people, to build character and leadership skills, public speaking and stage presence, as well as practical skills in the areas of technology and computer science.

**Sports Programs:** Our comprehensive sports program offers participation in more than six sports, including flag football, boys and girls volleyball, basketball, baseball, softball, soccer, and dodgeball. These organized sports leagues are offered year-round with each season scheduled for several months. Aimed at building fundamental skills, promoting teamwork, and good sportsmanship, students at all levels are encouraged to participate. Transportation is provided for players to compete against other local sports teams.

# COMMUNITY HEALTH SERVICES

## BOYS & GIRLS CLUBS OF GARDEN GROVE Community Health Services

Committed to the overall health and well-being of the community, Boys & Girls Clubs Community Health Services (BGC-CHS), invests in providing essential services and promotes access to mental health, family support, and health resources to youth and families in Orange County. CHS services seek to create equitable access to quality health services and resources by identifying deep-rooted barriers and addressing the root cause of social determinants preventing families from achieving high levels of health and wellness.

### Strategies to achieve these outcomes include:

- Using a community partnerships to address youth mental health
- Engaging youth and their families in strength-based solutions
- Supporting trauma-informed approaches
- Providing culturally and linguistically competent, inclusive services and programs
- Improving the delivery and access of mental health services in non-traditional settings
- Introducing, supporting, and fostering collaboration among and between systems at the local, state, & national level

Through comprehensive, evidence-based services, BGC-CHS provides an innovative approach to increasing access to quality health services and improving healthy outcomes for individuals and the greater community.

## Mental Health and Youth Diversion

- Academic & Personal Goal Setting
- Community Resource Referrals
- Partnership with Schools & Law Enforcement

# EARLY LEARNING

## Play, Learn, Grow Together!

The first five years of a child's life are crucial to the foundation for success later in life. Boys & Girls Clubs of Garden Grove uniquely support you and families through Early Learning Initiatives. BGCGG has created programs in order to seize this once-in-a-lifetime learning opportunity for children and their families.

### Child Development Program

Child Development Program offers licensed Full Day Preschool Centers for children 18 months to 5 years old. The program utilizes the California Early & Development System, which include all areas of development: Social & Emotional, Language & Literacy, Cognitive, and Physical, in order to better prepare children for entering kindergarten.

The program provides a safe and loving environment with certified teachers who help guide learning exploration for proper development. For more information, please contact the site.
